Hometown Habitat, Stories of Bringing Nature Home, is a 90-minute environmental documentary focused on educating about how and why native plants are critical to the survival and vitality of local ecosystems with a goal to inspire people to plant native plants, providing a call to action to change our garden choices to include native plants.

Each ticket includes a **FREE** native Ontario plant!

The message: All of us have the power to support habitat for wildlife and bring natural beauty to our patch of the earth.

The goal: Build a new army of habitat heroes!

Tickets are limited to 50 for this **FREE** event!

Screening at:

the **Wild Stand General Store**,
856 Hurontario St, Collingwood

Bring your own chairs & blankets.

Refreshments, native plants & more will be available for purchase from local vendors
